

CHAIRMAN'S STATEMENT

The interim statement to the 30 June 2015 reflects the Group as an investing company as defined under Rule 15 of the AIM Rules and the ESM Rules.

Under these same rules, on the 4th September 2015, Prime Active Capital announced that the Company's shares would be suspended from trading on AIM and ESM as the Company had not implemented its investing policy within the first twelve months of becoming an investing company.

The Company continues to actively work towards implementing its investing policy and will keep shareholders informed of developments. In the event the Company is unable to implement its investing policy within the next six months (i.e. by 3 March 2016), admission of the Company's shares will be cancelled in accordance with Rule 41 of the AIM Rules and Rule 41 of the ESM Rules.

On the 4th September 2015, Prime Active Capital also announced that, further to the disposal of its US assets announced on 1 August 2014, the Company had received the deferred consideration of \$1.3 million from the purchaser which had been held in escrow for 12 months for the purposes of covering warranty and indemnity claims.

Dermot Martin
Executive Chairman
25 September 2015.

NOTES TO THE INTERIM FINANCIAL INFORMATION

1. General Information

The Company is a public limited company listed on the Enterprise Securities Market (ESM) in Dublin and on the Alternative Investment Market (AIM) in London. The consolidated interim financial statements, presented for the six month period ended 30 June 2015, comprise the Company and its subsidiaries (together the "Group").

2. Basis of Preparation and Accounting Policies

2.1 Basis of preparation

The interim consolidated financial statements for the six months ended 30 June 2015 have been prepared in accordance with IAS 34 'Interim Financial Reporting' as issued by the International Accounting Standards Board.

The interim results have been prepared in accordance with the AIM Rules and in accordance with the accounting policies that the Group expects to adopt for the year ending 31 December 2015. Except as otherwise described, these accounting policies are consistent with the principal accounting policies which were set out in the Group's consolidated financial statements for the year ending 31 December 2014. The principal accounting policies as set out in the Group's consolidated financial statements for the year ending 31 December 2014 were consistent with International Financial Reporting Standards (IFRS) and International Financial Reporting Interpretations Committee (IFRIC) interpretations as adopted by the European Union (EU) and with those parts of the Companies Act 2014, applicable to companies reporting under IFRS.

The financial information for the six months ending 30 June 2015 and the comparative figures for the six months ending 30 June 2014 as set out in the interim statement are un-audited. The summary financial information for the year ending 31 December 2014 represents an abbreviated version of the Group's full accounts for that year, on which the Group's Auditors issued an unqualified audit opinion, which has been filed with the Registrar of Companies. The interim results should be read in conjunction with the annual financial statements so filed.

2.2 Going concern

On 4 September 2015, the Group announced that, in accordance with Rule 15 of the AIM Rules and Rule 15 of the ESM Rules, the shares of Prime Active Capital plc have been suspended from trading on AIM and ESM from 4 September 2015, 7.30 a.m. London time as a result of the Group not completing an acquisition which constitutes a reverse takeover under the AIM Rules and ESM Rules, or otherwise implementing its investing policy within twelve months of becoming an investing company.

The Group continues to actively work towards implementing its investing policy and will keep shareholders informed of developments.

In the event that the Group is unable to implement its investing policy within the next six months (i.e. by 3 March 2016), admission of the Group's shares will be cancelled in accordance with Rule 41 of the AIM Rules and Rule 41 of the ESM Rules.

2.3 Accounting policies

The accounting policies applied by the Group in these consolidated interim financial statements are the same as those applied by the Group in its consolidated financial statements as at and for the year ended 31 December 2014.

NOTES TO THE INTERIM FINANCIAL INFORMATION (CONTINUED)

3. Financial risk management

The Group's activities exposes it to a variety of financial risks including interest rate risk, currency risk, price risk, credit risk and liquidity risk.

The interim consolidated financial statements do not include all financial risk management information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements as at 31 December 2014.

There have been no changes in the Group's financial risk management policies since the year end.

4. Estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these consolidated interim financial statements, the significant judgements made by management in applying the Group's accounting policies were the same as those applied to the consolidated financial statements as at and for the year ended 31 December 2014.

NOTES TO THE INTERIM FINANCIAL INFORMATION (CONTINUED)

5. Segment information

In accordance with IFRS 8 the Group had one business segment, PAC Telemedia preceding the disposal of this trade on 3 September 2014. This segment aligns with the Group's internal financial reporting system and the way in which the chief operating decision maker assesses performance. PAC Telemedia was the telecommunications division and comprised operating subsidiaries that are premium retailers of mobile phones and accessories and are authorised agents for Verizon Wireless offering its pre and post-paid mobile telecommunication subscription services and wireless data products. The results of PAC Telemedia, discontinued in 2014, have been disclosed under discontinued operations, with prior year disclosures for this segment also re-presented.
