2 September 2013

To the Shareholders of Prime Active Capital plc

Dear Shareholder,

I am writing to you to outline the background to the resolutions to be proposed at the forthcoming Annual General Meeting of the Company.

You will find set out at the end of this document the Notice of the Annual General Meeting of the Company, which will be held at the offices of Arthur Cox, Earlsfort Centre, Earlsfort Terrace, Dublin 2 at 10.30am on 25 September 2013. The Notice sets out the full text of the Resolutions to be proposed and voted on at the Annual General Meeting.

Special Business

In addition to the ordinary business to be transacted at the Annual General Meeting (see Resolutions 1 to 3 in the Notice), the Board is proposing a number of other items of special business as set out in Resolutions 4 to 7, which relate to the share capital of the Company and which are now routine for most public companies.

Authority to Allot Relevant Securities (*Resolution 4*)

Under the first item of special business, Shareholders are being asked to give the Directors authority to allot and issue up to an aggregate amount of €3,742,397.50 in nominal value of new shares, being equal to 33% of the nominal value of the issued ordinary share capital of the Company. This is a renewal of a similar authority granted at last year's annual general meeting. The Board reviews the appropriateness of new share issues on an ongoing basis and while the Directors do not have any current intention to exercise this power in full, this authority is being sought as it is common practice for public companies to do so. This authority will expire at the earlier of the close of business on the date of the annual general meeting of the Company in 2014 or the day which is fifteen months from the passing of the resolution.

Disapplication of Statutory Pre-emption Rights (*Resolution 5*)

The Shareholders are being asked, under the second item of special business, to give the Directors the authority to disapply the statutory pre-emption provisions to allow the issue of shares for cash in the event of a rights issue or open offer (subject to the limits in the authority referred to above) or in any other issue up to an aggregate nominal amount of €1,134,059.50, being equal to approximately 10% of the nominal value of the Company's

issued ordinary share capital for the time being. This authority will expire at the earlier of the close of business on the date of the Company's annual general meeting in 2014 or the day which is fifteen months from the passing of the resolution.

Authority to Make Market Purchases of its Own Shares (*Resolution 6*)

Under the third item of special business, Shareholders are being asked to give the Company, or any of its subsidiaries, the authority to purchase up to approximately 10% of its own shares. The authority will expire at the earlier of the close of business on the date of the Company's annual general meeting in 2014 or the day which is fifteen months from the passing of the resolution. From time to time, the Directors may consider exercising this power to purchase the Company's own shares. Such purchases would be made only at price levels which the Board considered to be in the interests of the Shareholders generally, after taking into account the Company's overall financial position. Furthermore, the authority being sought from Shareholders will provide that the minimum price which may be paid for such shares shall not be less than the nominal value of the shares and the maximum price will be the greater of (i) 105% of the average market price of such shares for the previous 5 days and (ii) the higher of the price quoted for the last independent trade and the highest current independent bid or offer for such shares.

Authority to Re-issue Treasury Shares (*Resolution 7*)

Shareholders are being asked under the fourth item of special business to pass a resolution fixing the price range at which the Company may reissue any shares purchased by the Company which are not cancelled and have instead been held as treasury shares. The maximum and minimum prices at which such a share may be re-issued are 120% and 95% respectively of the average market price of a share calculated over the five business days immediately preceding the date of such re-issue. The authority will expire at the earlier of the close of business on the date of the Company's annual general meeting in 2014 or the day which is fifteen months from the passing of the resolution. This is a renewal of a similar authority granted at last year's annual general meeting.
